

SCOREBOARD SPONSORS & FIELD AD SIGNS - 2010

The Trojans Dugout Club is providing community, corporate, & individual sponsors with an opportunity to support the program by offering advertisement in the form of 2'x2' signs, that will be located in a high visibility area behind the pressbox on the New Trojans Sign Board, between the baseball and softball fields. In addition to those signs, (14) premium, 4'x5'-&-4'x10', signs will be available on the scoreboard. Sign contracts become available annually, with an opportunity to renew in February, and continue for one full year-- including the fall and summer tournaments. All sign sponsor contracts will include advertisement on the team's website at www.lctrojans.com, and a link to your company's webpage will be provided, as well. Just click-on the SPONSORS tab in the navigation panel to view your advertisement. All proceeds from sponsors will be utilized for the continued improvement of the Trojan's Baseball Program. More specifically, funds will go toward field maintenance, equipment, uniforms, team camps, banquets, & facility improvements. This year we are planning on facilitating an indoor hitting & training facility for our student-athletes. In order to keep pace with other programs in our region, and around the state, we have to continue to strive for excellence in our overall program. Your generous contributions to our program are what makes it all possible. The Trojans Dugout Club, along with its coaches and players, thank you for your support.

Sincerely,

Greg J. Williams
Head Baseball Coach
